

The 2012 Love, Vision, Faith Fund

The Cumberland Presbyterian Church in America is called by God to missions and a people united in one faith. We believe that in order for the denomination to fulfill her missions, there must be some different directions for the Church. In today's society, there are many challenges within the denomination and they SEEM to take priority over our missions as called by God. These challenges are real but must not consume all of our energy and time.

We believe that the 2012 proposed structure change is imperative. One of the changes that need to take place pertain to the responsibilities of the Stated Clerk as outlined in the Rules of Order. We also need a Ministry/Missions/Christian Education Director. Therefore, we need one person to take care of the day-to-day routine of the Church, legal concerns, etc. and another person to provide leadership in missions throughout the denomination.

We are asking those who love the Lord and His people called Cumberland Presbyterian Church in America to contribute to the "2012 Love, Vision, and Faith Fund". Our present budget can only support one of the persons mentioned above. In order to enlist the financial support of interested members of our Church, we need committed saints. Income through such gifts will enable the denomination to meet the expenses of the Ministry/Missions/Christian Education Director as outlined in the new 5--Year Plan. If each member would give \$10.00 the first year and \$25.00 the next two years, this could be done. The present GAEB members have pledged to give \$100.00 each year. Please join us in this endeavor by giving as the Lord leads you.
