# A Fairy-Tale Experience...

## THE SCHOOL OF MIDLAND

FESTIVAL BALLET is proud to once again offer a moving experience for little dancers! MFB's Fairy Tale Summer Sessions incorporate creative movement, arts and crafts, and screenings of classic fairy tale ballets. The sessions will be headed by Susan Clark, a former principal dancer with Atlanta Ballet and Milwaukee Ballet. Your student will have the opportunity to express her creativity and channel her energy into activities created by instructors whose enthusiasm for dance ensures a valuable experience. We hope you will take part in a rich tradition of dance!

## OUR NEW FACILITY

The School of Midland Festival Ballet is constantly growing and expanding, but this year has been exceptional. Our new studio space has enhanced our ability to serve students of diverse ages, interests, and abilities. With our large and small studio, spacious dressing rooms, and more comfortable waiting area, we can offer an even better experience to students and parents.

## OUR MISSION

We want to provide the highest quality dance education and instruction to your student. A great community needs great art. We want to explore the beauty of dance with any and all interested individuals, and allow the Permian Basin to share in the rich tradition of dance that we value.
