

March 2010

Dear Community Member,

The Carl Sundahl Elementary School Foundation is seeking donations of products and services to raise funds for the children of our school through our annual fund raising event to be held at Carl Sundahl Elementary School on Saturday, May 1, 2010, from 3 PM – 6:30 PM.

The Foundation is a non-profit, tax-exempt organization. **ALL** of our profits from fundraising directly support the programs and educational opportunities of our students. The Foundation's Board of Directors and membership is composed of parents, faculty and community members. In its twelve years, the Foundation has raised over \$500,000 to fund projects such as music, art, reading, technology, facility improvements, Library and language programs. **To assist you in claiming your donation on your taxes, our tax identification number is #943293311.**

As a parent volunteer and the Foundation President, I sincerely hope you will consider supporting the Foundation as we seek to provide the best quality public education for our children. Excellence in public education will set the standard for our community and determine, to a large extent, the future of these children and their impact as adults to the world.

Please contact me at (916) 989-8908 with items you wish to donate or questions that you may have. If you wish, you may send your donation directly to our school at the address below. Thank you for your support and for making a difference in the lives of our students.

Sincerely,

*Angie Kendall*

Angie Kendall, President  
Carl Sundahl Elementary School Foundation
