Here's how you can help support the programs funded by

The Carl Sundahl Elementary School Foundation

_____Make a tax-deductible donation - TODAY!

We suggest \$125 (per student). That's only \$12.50 per month to provide your student with programs throughout the school year that provide reading, math, art, music and technology. Or, make a tax-deductible contribution in any amount. Make checks payable to The Carl Sundahl Foundation.

_____Volunteer for a fund raising event

During the year we have at least one fund raising event. Volunteer to acquire items, decorate and/or setup or take down the day of the event.

_____Chair a program or write grants

There is free money out there just waiting for our school. Chair a program that collects money from local (e.g. Raley's) or national businesses (Target) that fund school programs simply by shopping at their store. Or, maybe you have had experience writing Grants - there's never been a better time to find free money, if you know how to write a Grant.

_____Join the Foundation

At times there are open seats on the Foundation. Board members meet once a month throughout the school year to determine where money raised by the Foundation will be applied.
