

PERSONAL INDORSEMENT OF EDWARD LYNCH

BY

JIM CASH

It is a distinct pleasure for me to endorse the candidacy of Edward Lynch for United States Congress in Florida's 19th Congressional District. After reviewing Ed's background and his position statements on the critically important issues facing our nation, I have no doubt that he understands the national security issues that our nation currently faces. Just as important, I am sure that he will bring the necessary leadership to Congress that will enable our country to confront these challenges and in a timely fashion.

Our Congress is in dire need of new and principled public servants who can bring fresh ideas to the table, and who show total loyalty to the Constitution and the principles that guarantee our freedom. I believe Ed Lynch can do that in a very professional manner, and at the same time demonstrate that it can be done in a way that places the Constitution above party affiliation and personalities. He is a proven leader, and has exhibited the common sense to do the right thing for the nation. There is no doubt that when elected, he will abide by the oath that he will be taking.

I strongly believe that Ed should be commended for his service and commitment to our veterans and his work to improve conditions at VA hospitals in the South Florida area. He has gone the extra mile for our veterans and understands that we have a solemn obligation to ensure that they receive the best medical attention and care that our nation can provide. This is the least we can do in attempting to repay our debt to them, and show our gratitude for the sacrifices they have made on our behalf. For all he has done, and for all the effort he has put forth, I thank Edward Lynch from the bottom of my heart.

I wish Ed good luck and Godspeed in his campaign. I will be encouraging others to support the candidate of their choice in the forthcoming special election, and I consider this one to be very special. I request that my endorsement be communicated to the voters of the 19th Congressional District.

Sincerely,

Jimmy L. Cash
Brig Gen, USAF, Ret.
