Statement of Faith and Vision

The Church at White Cloud is a non-denominational (1 Cor. 1:10-13) Christian Body of believers that is actively responding to the commission given to the church by Jesus Christ to go into all the world and make disciples of all nations, (Matt 28:19) and proclaim the things concerning the kingdom of God. (1 Cor. 4:20 , Acts 2:36-38)

We have faith in and worship the One True and Living God (Duet.6:4), Creator of all and Lord over all (John 1:1-14), and in the deity of Jesus Christ (Col.1:15-19), His virgin birth (Matt. 1:23), His sinless life (Heb. 4:15), His miracles, His atoning death and resurrection that accomplished the complete victory over sin and death on behalf of all who believe, (Col. 2:11-15) and in His imminent return. (Matt. 24:29-31)

We believe that regeneration by the Holy Spirit (Titus 3:5) is absolutely essential for the salvation of a lost and sinful man, and that this salvation is wholly of grace through faith in the atoning death of Jesus Christ. (Eph. 2:4-10)

We rejoice in and are thankful for the present work of the Holy Spirit in the life of the believer, by whose indwelling the Christian is changed (2 Cor. 3:18), directed, equipped, and empowered (Acts 1:8) to lead a Godly life and to be a living witness.

We believe that the Bible is the inspired, infallible and authoritative Word of God (2 Tim. 3:16), without error in the original languages, and our only rule for life and practice.

We believe that prayer is essential to our daily Christian life and relationship with God, (Phil 4:6) and that "we have not because we ask not." (James 4:2)
