ssparks@auroramp.com

Shane is a pro-active and results oriented individual with broad experience in financial management, financial analysis and operations. He most recently completed an assignment overseeing financial management and operations for a medium-sized automotive aftermarket manufacturing company with extensive operations in China. Secondly, he also fulfilled the CFO duties for a real estate company as well as asset management of financial capital company.

Shane has extensive experience in the franchised food service industry and has performed as Finance Manager/Controller for an Atlanta-based restaurant group with over 4,000 employees and multiple food service concepts. This experience is currently being utilized in a Florida Bankruptcy of a chain of TGI Fridays Restaurants where Shane is responsible for over 23 monthly operating reports and cash flow reports.

Shane has a Bachelors degree in Political Science with a minor in Finance from Georgia Southern University.
