

North East Fabricare Association's 20 Annual

“Brad Friel Memorial Clean Classic” **Wednesday, July 22rd, 2015**

We are very excited to host another wonderful event this year. We are looking forward to having some new players and sponsors join us as well as see many familiar faces from the past back again to join us for a great day of fun! Please contact NEFA Executive Vice President, Peter Blake if you have any questions or would like to help with this event: (peteblke@aol.com ~ 800-442-6848).

New format this year will be a Bramble. Every player tees off, the team selects the best drive and each player plays there ball in from there. The team records the two best scores including handicap. Don't worry if you don't have a handicap – one will be assigned to you at the course.
