Expenses for reimbursement must be incurred **during** the plan year

With regard to my pay reductions under this agreement, I understand that:

- Expenses for reimbursement must be incurred during the plan year.
- If my required contributions to pay premiums for the elected benefits are increased or decreased while this agreement remains in effect, my reduction will automatically be adjusted.
- I cannot change or revoke this pay reduction agreement at any time during the year unless I have a change in status (including marriage, divorce, death of a spouse or child, birth or adoption of a child, HIPPA qualifying changes, termination or commencement of employment of my spouse's employment status.
- Prior to the first day of each plan year I will be offered the opportunity to change my benefit elections. If I do not complete and return a new election form at that time, I will be treated as having elected to continue only my insured benefits then in effect for the new plan year.
- Dependent care reimbursement will be available only for qualifying dependent care expenses as described in the Internal Code Section 129, and I understand I cannot claim a dependent care tax credit on amounts I receive as reimbursements under this program. I further acknowledge that the total election for my spouse and me cannot exceed the amount outlined in the employer plan document.
