

Middle School Messenger

An In-School Publication for Middle School Parents

Friday February 10, 2010

Thank you, thank you, and thank you. Our science fair and open house was absolutely fantastic last night. The students did a wonderful job with their inventions and projects. We'd like to especially thank Mrs. Lehmann for all her hard work in teaching this invaluable unit to the students. We'd also like to thank Jennifer Willis for organizing the judging event and open house, Dione Miller who provided refreshments for the judges, Mary Willis, Kristen Hart and her mother, Marsha, for transporting projects from the main campus and all the judges who gave of their time to make this such a wonderful event. As I noticed the various examples of student work around the building, I was so excited to see how our teachers are really challenging our students to apply what they are learning. All in all it was a great night!

All School Field Trip - The 7th and 8th grader's will take a field trip to Nelson-Atkins Museum of Art correlating with the literature study of the French Revolution Wednesday, Feb. 10th The tour starts at 10:00 a.m., and we will leave the museum at 2:00 arriving at the main campus by dismissal time. The cost for the field trip is covered by the student fees, but students will need to bring a sack lunch and drink that day.

Valentine Orders - Our middle school STUCO is sponsoring an opportunity for you to surprise your child with a special Valentine. For \$1 you can purchase cookies, a lollipop or a sing-a-gram. We have our Valentines Celebration on Thursday, February 11th. The money will go towards our end of the year trip. Although the high school seniors sponsor a similar sale, the middle school students do not participate because we are at a separate campus. Below is the form to place on order. To order, just complete the order, place it in an envelope marked "Middle School" and return it to Mrs. Lopez at the main campus, or your child can turn it in at the middle school.

Dates to Remember:

2/8 - Society Meeting

2/5 - Mid-quarter and Athletic Eligibility check

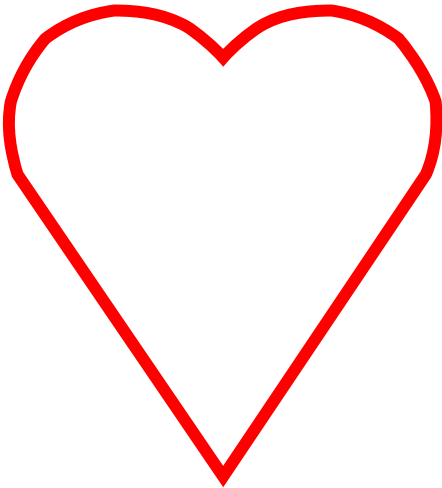

2/12 - No School Parent Teacher Conferences

2/15 - No School

In Christ,
Jennifer Gastley
Kathy Hirleman

Valentine's Day 2010

This year the Middle School STUCO will be selling Valentine's Day treats, for the middle school students or parents to buy for the other students. This is NOT the same thing as the senior's fundraiser. The options are as follows:
