

**TENNESSEE BANDMASTERS ASSOCIATION SWEEPSTAKES AWARD WINNING BAND PROGRAM
2006-2007 • 2009-2010**

Dear _____,

I am proud to announce I am a member of the 2011-2012 Hillwood High School Band Program. Our award winning marching band, color guard, jazz and symphonic band program is one of the few highly competitive high school band programs to be found within the Metropolitan Nashville Public School District. Our public schools struggle to maintain academic as well as extracurricular activities and we are proud that Hillwood High School has been able to provide this experience for its students and community. The lion's share of funding for this program comes from parent/guardian/sponsor cash donations and fundraising events throughout the academic year.

The Hillwood High School Band Boosters assist the band director in managing uniforms, transportation, maintenance of equipment, purchasing concert music, managing scholarships, awards, the show design, music rights, color guard equipment and props as well as paying for additional staff for instruction for the band students. The Boosters provide support services for students during competitions, school activities and community events. The Booster group is also the fundraising arm of the Hillwood High School Band Program. We are a non-profit 501 (C) 3 organization which recognizes the value and is committed to the preservation of the Hillwood High School Band Program. Our program's estimated operating budget comes to \$750 per student for 2011-12 school year.

We are asking for your support to reach our funding goals for this 2011-12 academic year. Maintaining a quality award winning band program is expensive. You can make a difference by pledging your financial support which will help me raise funds toward my fairshare of \$750. Any amount you donate now and throughout the year will help keep this program alive and strong.

Thank you very much for your support.
