Dear Chambers County Republican Friends:

I want to thank you for the opportunity to serve as Chairman of the Chambers County Republican Party. I look forward to working with you as we launch an aggressive campaign to grow the Party within our County, and to grow our influence within the State and National Republican Parties.

We live in the most historical County in Texas and we deserve to participate in decisions that affect our lives and the future of our great County, State, and Country. We plan to increase our participation by uniting our diverse base of Chambers County Republicans and utilizing their unique talents to drive our values up through the Republican ranks.

Each and every one of our friends contributes to our efforts, although not always evident. So, we will improve our communications to ensure that everyone is informed of our progress along the way. It will take all of us working together to succeed, and it is important that we have fun along the way! No one of us is as strong as all of us!

I, along with our incoming Executive Committee, officially took office on Monday, April 28, 2008 and we're excited! Our Party motto is: "*Republicans on the Move!*" The engine is running, and I'm honored that you put me behind the steering wheel! I look forward to serving you.

Sincerely,
