--

**SECTION 9 – Authorization**

■ **Authorization to release medical records.** I authorize CIGNA to request my and/or my dependents’ (those who are applying for coverage under this enrollment form) medical records, any prescribed medication history, and any other medical or pharmaceutical information to process my enrollment form. I authorize any health care provider, including hospitals, physicians, clinics, labs, pharmacies, pharmacy benefit managers or any other healthcare organizations or healthcare professionals that provided treatment or any other service to me and/or any of my dependents applying for coverage under this enrollment form to disclose to CIGNA the information required by CIGNA and described above. This authorization becomes effective immediately and shall remain in effect as long as necessary to permit evaluation of this application. I further agree that I or my dependents will sign any additional authorization form that may be required for release of such information.

■ **Acknowledgment of key terms.** In completing this Application, I agree to the following for myself and all eligible dependents:

1. That any hospital, physician or other provider may furnish CIGNA medical information that may be required to conduct a utilization review program of health services, and to coordinate benefits and/or reimbursements with other health or insurance programs.
2. That all information furnished by me is true and complete to the best of my knowledge, and that I shall update the application with changes occurring between the date of this application and the first date of coverage, including new or changed medical conditions.
3. That any person who knowingly and with intent to defraud CIGNA or any other person files application for insurance or statement of claim containing any material false information or conceals, for the purpose of misleading, information concerning any fact material thereto commits a fraudulent insurance act and may be subject to civil and criminal penalties.
4. That my employer’s application will determine coverage and that I will not receive coverage until both this application and the employer’s application have been accepted and approved by CIGNA.
5. That should I and my dependents be issued coverage, any dispute or claim shall be resolved according the grievance procedures contained in the Certificate of Coverage issued by CIGNA to enrollees.
6. That should I and my dependents be issued coverage, there may be a waiting period before pre-existing health conditions of me or my dependents are covered, as further explained in the Certificate of Coverage issued by CIGNA to enrollees.
7. That should I or my dependents be issued coverage and CIGNA provides health services that are the primary responsibility of Medicare, workers’ compensation coverage, automobile medical payment coverage, or other payments source CIGNA may be authorized by law to pursue, we shall inform CIGNA of the other source of payment and execute such documents and provide such assistance as may be necessary to enable CIGNA to recover the value of services provided, arranged or covered.
8. That I am entitled upon request to a copy of this application, including the authorizations and acknowledgements made by me herein.
9. If a social security number is not provided on this application, CIGNA will issue a CIGNA assigned identification number to identify our plan members. Risks associated with the use of an assigned identification number include the following:
  - a. The possibility exists that the assigned identification number may match another individual’s Social Security number or an assigned identification number issued by another company.
  - b. Use of an assigned identification number does not eliminate the possibility that another individual will access or misuse information related to that number.

Employee Signature:	Today’s Date:
---------------------	---------------

- Please keep a copy of this application for your records.
- NOTE: If there are any modifications to the statements and responses provided in this application (i.e. crossed out, white-out, erased information), the applicant must attest to the modifications by providing a complete signature in the margin near the modification.
