

# Spring Rec. Competition

## CHASE THE GOLD INVITE

MARCH 20-22, 2009

Open to all female gymnasts in the "big gym!"

### MEGA Parents:

We are excited to announce that we have put together a program that will give every female gymnast (in the big gym) at MEGA a chance to compete and show off what she can do. This program is designed with the recreational gymnast in mind. In every other sport, you get a chance to compete immediately after enrolling in the sport. Up until now, gymnastics has not allowed that opportunity. Your daughter can now experience a gymnastics competition with very little experience under her belt. These competitions will be low in stress, yet loaded with fun. Every gymnast will perform routines and every gymnast will go home with ribbons, medals, or trophies and a goodie bag from each meet.

There are 2 Spring competitions scheduled at this time. You can sign up for either of them or both. You will need to purchase a MEGA recreational leotard when you sign up. This leotard can be worn to practices at anytime. It will also be the required uniform at the competitions.

There is a fee attached to each competition. This fee will get your daughter the specified number of extra practices above her normal weekly class, and the entry into the competition that is listed. She will be expected to attend the extra practices. We will be working the routines during these extra practices, not during her normal class time.

**MEGA leotard cost: \$38.00**
