

Briarhill Parent Volunteer Form

Your Child is about to embark on the experience of a lifetime! His or her participation in band will be one of the most positive experiences possible while in middle school. It's that positive experience that will soon make the Briarhill Band program one of the flagship middle school band programs in the United States.

We need the help of all adults! This is a nice way to be involved at Briarhill Middle School. You are welcome to be a part of your child's band activities, get to know your child's friends and classmates, get better acquainted with other parents and make new friends!
