# Christmas Market

The children have opened a workshop in the children's hall. They have been using their gathering time on Sunday mornings to work on items they plan to donate to a local retirement center this Christmas. The children of FUMC are generous hard workers. Come by and encourage them in this BIG project to help a community of senior adults.

Come hitch a ride on a star and experience how **AWESOME OUR GOD IS!**

## SUMMER TIME

Take some special time out for your children this summer. Play a game, go to the beach, have a picnic or just turn off the television and talk. Children want our attention. One of the greatest gifts you can give your child is the gift of you. You are the one they look up to and the example they remember. Enjoy the summer and make some special times for them and with them. One of those times is coming to church. It's an example that last their entire lives.

**Come to church as a family.**

## Got Old Crayons?

Please, bring them to the Children's Department. The children are not only helping the community by continuing to collect toiletries for the Alvin Toiletry Ministry but they have also started a recycle project. Help us to help them make a difference in the community and the world.
