You have the option to choose a Consumer Choice Health Benefits Insurance Plan (CCP) that, either in whole or in part, does not provide state-mandated health benefits normally required in accident and sickness insurance policies in Texas. This standard health benefit plan may provide a more affordable health insurance policy for you although, at the same time, it may provide you with fewer health benefits than those normally included as state-mandated health benefits in policies in Texas. If you choose this standard health benefit plan, please consult with your insurance agent to discover which state-mandated health benefits were excluded in the policy.
