The player registration fee to South Coast Bayern for the 2010/2011 season is:

- U8 – U10 : \$1000.00
- U11 – U13 : \$1300.00
- U14 – U19 : \$1500.00

From ages U14 up the team will break during the high-school season. Those not playing high-school that wish to continue training will make outside arrangements with the coach.

Registration fees are used to cover the cost of CSL team registration, CYSA-S Fees, SCB Office, field rental, light rental, club insurance, website maintenance, referee classes, continuing educations in coaching programs, coaching and training fees, director of coaching fees, goal keeper training fees, league registrar, field maintenance, field equipment, free entry into the Bayern tournaments based on age appropriateness, team bonds and league cup and to set up a minimal club reserve fund. The club fee is non-refundable once the contract is signed. Each team will be responsible for additional fees which will be divided up amongst the team. These fees include:

- ❖ tournament fees and if needed Premier league registration fees
- ❖ coach's travelling expenses for tournaments as needed
- ❖ referee fees

Each family will also separately purchase as needed:

- ❖ uniform package (basic package includes home jersey, away jersey, shorts, socks, practice jersey and numbering – each team will determine if they will be additionally purchasing sweatshirts, warm-ups or both)
- ❖ backpack and ball per team requirement

Team fees are separate and will be billed by each team. I understand that the Team budgets can range depending on tournaments and team requirements. Teams may decide as a group to purchase items such as a team bench, flag, or accessories beyond the basic uniform.

Each team administrator or manager will provide each member with a budget at the start of the year along with a payment schedule. Signing of the contracts recognizes a commitment to the team fees and is non-refundable. As the season progresses, teams may decide as a group to add additional events or expenses that will be an addendum to the original schedule and will follow the same obligations.

A payment schedule can be established to ease the financial burden, if you need installments toward the financial amount that is offered separate from this contract. This does not negate the obligation to pay the fees in full.

If membership fees are not paid on or before the specified dates or other payment arrangements have not been made with South Coast Bayern and approved in writing by the South Coast Bayern Club President or Vice-President, the player will not be allowed to participate in games or tournaments with any South Coast Bayern or other CYSA-S Team until all fees are paid.

The parent agrees to let the manager and head coach know if they will have any difficulty paying membership fees on schedule. Arrangements can be made to pay with credit card as well.

MAKE ALL CHECKS PAYABLE TO: "SCB" or "South Coast Bayern"

I agree to allow the child named above to participate in the SOUTH COAST BAYERN Program and I understand that the membership fee is NON-REFUNDABLE.
