

My name is Ligia Elena Jimenez. I am nine years old and in the fourth grade. I live with my parents and little brothers, and I like to play basketball and study. I go to Corpus Christi Lutheran Church with my family and my friends. We learn about Jesus and his love for us. I want to thank you for helping me. Your help is so important as my dream is to be a doctor. Elena

Hello my brothers and sisters. My name is Andrea. I give thanks to God because you are able to help me.

The program of the CCCS will help to change the lives of many Liberians to turn to our Lord

Jesus. Most parents and students as well as the community are now greatly involved in the services. The Bible Lessons

taken by our students and our Friday Weekly Chapel in the school

are of great help to us. I personally pray for the perpetual light of Christ to shine on you and the Society.

Vice-Principal Hallie Melemala

Dear CCCS Members,

This is a thank you very much note, for all the wonderful things you have done in the lives of the children in the 14 countries you are now working. I am the first student of the project who you helped with education.

We pray that many children will know about the love of Jesus through this project and for those who still don't.

Blessings and love,
Gloria Canjura

My name is Maria Cecilia Ralac a student in the 6th grade at Dr. Martin Luther School in Chajabal, Guatemala. Dear donors of scholarships, I am so happy to be here in this school. Here I am growing spiritually and morally. Many children do not have the opportunity to go to school as I do. I thank you profoundly for the support which we receive from you. We cannot repay you, but our God will in thousands of ways. Because of your love for God please don't stop helping us as we depend on you. May our great God protect you always.

Learning of a loving Savior is life changing;
education is a path out of poverty.
