

Hope Community Church Core Personal Attributes of a Senior Pastor

Core Personal:

- Character (Biblical requirements)
- Theology
- Family Life/Family Values
- Call to Ministry
- Long Term or Short Term Vision/Commitment Level to this position
- View of Pastoral Role
- Personality Traits (Relational, Compassionate, etc.)

The **Core Personal Attributes** of the senior pastor of Hope Community Church are those items that we (the elders) hold in high regard. He must be a man that also holds those attributes in high regard and is continually pursuing God's will in these areas.*

The **Outer Core Personal Attributes** of the senior pastor of Hope Community Church are those items that we (the elders) have interest in, but do not feel that they define him as a person or pastor.

Outer Core Personal:

- Preferences (Sports, Music, etc.)
- Hobbies
- Age & Experience
- Personality Traits (Personality Type, etc.)

*Concerning personal theology, he must hold to the core and outer core theology of Hope Community Church.
