In accepting this permit you agree to comply with the required list of conditions for this permit and regulations of all City departments.

The residents agree to be responsible for all injuries to persons or damage to property that may be caused by the closing of this street; to observe all safeguards, including any barricades, danger signals and watchmen that may be considered necessary.

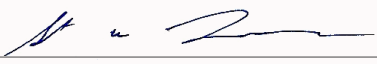

The residents also agree to the proper handling and disposal of trash, and the proper separation and recycling of all appropriate recyclable items generated during the activities covered by this permit.

At the close of the affair, barricades are to be removed by the applicant and the street left in a clean and safe condition for traffic.

This permit does not authorize any person(s) to charge admission to a block party or non-block party event.

This permit is issued subject to any other authorization that may be required, and applies only to the events listed below.
